Dear Mr. Bloch:

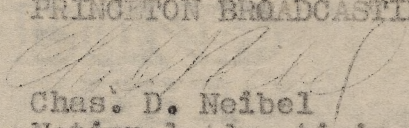

We appreciate very much, Mr. Bloch, the information you gave in your letter of the 26th regarding the I.B.S. National Advertising Contracts. We have completed the report and placed it before the proper authorities for approval.

I missed, by the way, the copy of the statement by George Abraham before the F.C.C.; would you mind forwarding a second as it sounded interesting.

I enjoyed the chat with you Friday afternoon over the L. D. phone very much. I hope to be able to meet you personally in New York, in the near future, and get better acquainted.

Very truly yours,

PRINCETON BROADCASTING SERVICE
